A close-up, stylized illustration of a white and black electronic device, possibly a portable music player or a small tablet. The device has a sleek, modern design with a white top half and a black bottom half. Two prominent red dots are visible on the white surface, one near the top left and one near the top right. The background is a light gray gradient.

A white and black Sport Series travel trailer is shown from a side-front perspective. It features a large front window, a side door, and a spare tire mounted on the side. The trailer has a black frame and wheels. The text "SPORT SERIES" is visible on the side.
